## Ministry of Science and Higher Education of the Russian Federation

On behalf of the Ministry of Tourism and Cultural Heritage of the Republic of Uzbekistan, allow us to extend our greetings and have the honor to inform on the following.

In 2018, at the Summit of the Shanghai Cooperation Organization (SCO) in Qingdao, China, H.E. Mr. Shavkat Mirziyoyev, the Government of the Republic of Uzbekistan, initiated the establishment of "Silk Road" International University of Tourism and Cultural Heritage in the ancient city of Samarkand. The University is a leading institution in Uzbekistan, preparing qualified professionals in the fields of tourism, cultural heritage, museum management and creative industries.

In order to further expand cooperation in education sector and strengthen mutual diplomatic ties between SCO member states, observer states and dialogue partners, the President of the Republic of Uzbekistan awarded **85 educational grants** for graduate programmes at the "Silk Road" University. Taking into consideration the importance of bilateral relations between governments, the University is planning to award **5 grant** places *(for Fall semester 2023)* to outstanding candidates from Russia. Applications for Fall semester 2023 *(classes start in September)* are accepted until July 1, 2023.

As such, we kindly ask for your assistance in facilitating the selection process and receiving a list of candidates from Russia willing to study in one of the graduate programs at "Silk Road" International University of Tourism and Cultural Heritage.
