***Cultural Heritage of Anhui & Smart Sci-Tech Innovation***  
**2025 International Youth Summer Camp**

Chuvash State University:

Greetings from Anhui University, China!

In order to reinforce international cooperation and communication, while promoting friendship among college students, Anhui University continues to host *Cultural Heritage of Anhui & Smart Sci-Tech Innovation* 2025 International Youth Summer Camp, and it is now open for admission.

We would like to invite potential participants from your university to this Summer School. To highlight our friendship, the program fees of 4 participants of your university will be waived.

The detailed information of the Summer School is listed as below.

**Period:** July 1-14, 2025

**Host:** Anhui University

**Venue:** Anhui, China

**Language of Instruction:** English

**Email:** [summerschoolahu@126.com](mailto:summerschoolahu@126.com)

**Close Day for Registration:** May 20, 2025.

We would greatly appreciate your assistance in sharing the enclosed itinerary and application form with your students. Our team will be available throughout the program to ensure the well-being of your students. If you are interested in organizing group participation, please feel free to reach out to us. Wish you all a healthy and prosperous season filled with success and we look forward to meet and greet your students in Anhui University!
